INCOMPLETES:

The undergraduate student in Letters and Science must remove the grade of I or IN (Incomplete) by the end of the fourth week of classes in the next term (excluding summer) the student is in attendance. All other undergraduate students and special students must remove the Incomplete by the end of the next term they are in attendance. Incompletes that are not removed by the deadline dates lapse into a grade of F (Failure). The deadlines for removal of Incompletes may be extended with the approval of the Student's dean. Graduate students are not subject to the above Incomplete deadlines. Students who are not in attendance for a five-year period after an Incomplete is received may not remove the Incomplete without permission from the Associate Dean. Incompletes remain on the record as Permanent Incompletes and do not lapse into failures.
